

Lola Villaescusa

Costume designer & stylist

I'm an experienced fashion stylist and costume designer working in advertising, commercials, films, music videos and other high-impact audiovisual content.

I collaborate with production companies both nationally and internationally so I work with directors such as Adam Berg, Max Malkin, Martin Werner, Burt Timmer or Anders Jedenfors.

I trained as a fashion designer and stylist at the School of Design and Styling La Llotja.

I am passionate about creating visual content through image and generating an impact on the audience.

With more than 20 years of experience, I have worked with great artists such as Shakira, Messi, Antonio Banderas, Penelope Cruz among others.

I work regularly with brands such as Revlon, Freixenet, Samsung, car brands like Mercedes, Seat, Hyundai or sports brands like Puma.

I have made all the costume designs for films such as Baby teaser by Juanma Bajo Ulloa, Cosas que nunca te dije by Isabel Coixet, Jealousy by Dania Zaragovia.
